THE BREWERY

We are grateful for the opportunity to build a beautiful, unique, destination craft brewery from the ground up — tailoring the entire 120-acre space to our vision and our values. Guests will be greeted with enthusiasm in authentic, rural Grand Old Barn architecture, and experience a state-of-the-art brewing and packaging facility, local farm-to-table restaurant, wood-fired pizza oven and a unique bar venue serving fresh Cowbell beer.

ONE-OF-A-KIND EXPERIENCE

BEAUTIFUL EVENT SPACE

CARBON-NEUTRAL BREWERY

Guest Experience options include self-guided catwalk tours and VIP Guided Tours by reservation. Cow bell is a fully-accessible,family -friendly facility.

Cowbell is your ideal year-round venue for any event. For business conferences, family reunions, weddings, team events, or one-of-a-kind celebrations, count on a truly memorable experience.

We operate a closed-loop brewery and an on-site carbon sequestration initiative with verified performance. Cowbell's actions confirm a commitment to great beer and a truly environmentally-friendly facility.

EVENT SPACE

Reserve space for a private event at Cowbell. Accessible and configured to best suit your Guests and your event. WiFi is available throughout the venue. Event space in Thresher's Hall is available for a room rental fee*, which includes staffing, linens/napkins, wireless microphone, projector and screen.

*To reserve, email events@cowbellbrewing.com or call 1-844-523-4724

COWBELL KITCHEN - RESTAURANT

Cowbell's Huron County location is a fertile farming area, historically referred to as "The Empire's Breadbasket." Our team works with like-minded local farmers, producers and suppliers to create fresh and fun appetizers, shared plates, burgers, wood-fired pizza and house-made desserts. Eat, drink and enjoy your experience at Cowbell. Menu changes seasonally.

For reservations, call 1-844-523-4724.
